

Hello Primary One and Two! I hope you all had a lovely bank holiday weekend! We are now into week 7 of home learning (I cannot believe we are on week 7!) and I'm looking forward to seeing all of your work already! As usual there will be pieces of work uploaded each day! Please send in pictures of you and your activities if you can. 😊

Remember to try your best with your work, do what you can and use this time to do what you enjoy most and what makes you happy! ✨

Have a great week!

Miss Kealey.
