

## Grandfather and I

I like going to see my grandfather. He is never in a hurry. He always has time to talk to me and listen to what I say. I love my grandfather.

My mum is always in a rush. She is always telling me to hurry up and get dressed or hurry up and finish my food. My mum is always in a rush.

My dad is always in a rush as well. He rushes off to work in the morning and hurries home late in the evening. He's even in a hurry when he kisses me goodnight. My dad is always in a rush.

My big sister is always in a rush. She says she hasn't got time to play with me. She says she's in a hurry to see her friends. My big sister is always in a rush.

I like going to see my grandfather. He is never in a hurry. He always has time to talk to me and listen to what I say. I love my grandfather.
